2015 Competitive Level Fall Tennis Programs

Join us this Fall as we begin offering tennis at Willow Glen HS. Whether you're new to the game or a seasoned tournament player, we have a program for you!

Strikers (ages 10-14) Advance through USTA's R.O.G. Pathway with this transitional regimen that utilizes both Green and Yellow balls. Middle school players will challenge our R.O.G. players as we sharpen our skills with our game-based approach to playing tennis.

Intercollegiate Player Development (ages 10-18) IPD is an advanced training regimen for ranked and Open-level players. Emphasis is on physical and mental conditioning, high-intensity drilling and hitting, and regularly scheduled match play. We also host Junior Team Tennis squads to compete against other programs in a Co-ed League.
